Notes:

1. Nominations for local, region or state training can be submitted by Capt & TOs to L&D anytime prior to course closing deadline
2. Bush Firefighter Assessments to be scheduled as Brigade demand requires. Confirm upcoming BF candidates' readiness to L&D
3. Dates and locations of training may change subject to venue availability, operational activity & the location of the majority of candidates attending.
4. Training may be postponed or cancelled subject to nomination numbers, demand and/or operational activity
5. Chainsaw Recertification events scheduled as required, subject to date of expiry of qualifications, location availability, availability of Assessors & operational activity
