Notes:

1. Local level training programs are available from your training officer and/or Membership Services Officer.
2. Nominations for training programs can be submitted on-line via SAP.
3. Nominations close four weeks prior to the scheduled start date of the program.
4. Nominations for State Programs are to be submitted on-line via SAP and subject to approval.
5. Participation in IMT programs is determined by Regional Services in consultation with District Managers.
6. Dates and locations may change subject to venue availability.
7. Programs may be postponed and/or cancelled subject to nomination numbers and demand.
8. Localised courses refer to adjoining districts that will not require accommodation for the course or workshop.
9. All Code of Conduct & Ethics workshops are available for volunteers to participate.
10. Qualification information can be found in the Training Information Booklet.
